

FRANCE DELEGATES GUESTS OF HONOR AT NEW ROCHELLE

Reception, Military and Civic
Parades Mark To-Day's
Events in City's Celebration.

Charles Chatelet and Harry Gar-
rigues, members of the City Council of
Rochelle, France, from which immi-
grants went two hundred and twenty-
five years ago to settle the city in
Westchester County, were formally re-
ceived by the city of New Rochelle.
Special services in the churches be-
gan a week of celebration of the anni-
versary of the New York namesake
year.

The French guests of honor were
met at the station yesterday by Henry
M. Lester, Chairman of the Huguenot
Association of New Rochelle; Mayor
Waldorf and former Mayors Dillon,
Clarke and Colwell. They had been
accompanied from New York by Sir Charles
Pryor of Larchmont, Secretary of the
Huguenot Association, and Thomas Le
Bouillier, both of whom were dele-
gates from New Rochelle to the French
municipal city when the monument of
Jean Guiton was unveiled there in
1911.

There will be a formal reception to
the French delegates at 8.15 o'clock
this evening at the New Rochelle High
School after the visitors have been
taken on a trip through Westchester
County in automobiles.

Tomorrow there will be a military,
firemen's, civic and industrial parade,
which it is hoped will be reviewed by
Vice-President Marshall, Major-General
Barry, U. S. A., and Ambassador Jusser-
and, all of whom have promised to at-
tend. The parade, which will start at
8 o'clock, will be headed by a detach-
ment of Federal troops from Fort Slo-
cum. All of the National Guard com-
panies of Westchester County will be
represented.

In the firemen's division, besides five-
teen hundred volunteer firemen, an ex-
hibit from the New York Fire Depart-
ment under the charge of Battalion
Chief Grogan will be a feature; it will
show an automobile engine, an automo-
bile truck and an automobile hose
wagon. The industrial division will be
made up of representatives of organized
labor bodies of the town and the civic
division is to be composed of floats and
other exhibits from the factories.
It is expected that the parade will be
two and a half hours in passing the re-
viewing stand.

Part of to-day's proceedings was the
planting of an American linden tree in
Hudson Park in front of the Huguenot
monument. The French delegates, Ma-
yor Waldorf and Mr. Lester made
speeches.

MAIN BUILDING Yes, Sir! This Is the Season's Biggest Sale of Plain and Fancy Blue Serge Suits, at \$9.85

In many respects this is the most remarkable clothing sale The Big Store has ever
announced.

First of all, plain and fancy blue serge suits were never in greater demand than now.
Secondly, all good manufacturers disposed of all the suits of this kind that were produced,
and, therefore, there are no surplus stocks (of a worth-while kind) to be had.

The 1,100 Suits in This Sale

were purchased by us many months ago. Orders were placed when woollens were con-
siderably cheaper than they are now. And it is a fact that if we were to go into the open market
today to buy suits of this kind, the wholesale price would most likely be more than our special
selling figure for tomorrow.

All of these suits were made to our rigid specifications and, therefore, we unhesitatingly
guarantee every suit.

The quality of serge is excellent and it's "True Blue"—a grade that will keep its color
and shape until the last day of service. Every yard was shrunk and tested for fast color.

Every Man and Youth Who Attends This Sale Will Be Fitted Perfectly

Assortments include suits for young men of 14 to 20, the stout man who wears up to 54
chest-measure, the short man, the long man, and the man of regular build. And, as we are not
satisfied unless our patrons are, we urge you to bring back any suit that does not give satisfac-
tion in every detail.

Gentlemen, tomorrow is Blue Serge Day in our Men's Store, and we signalize the occa-
sion with the biggest value in blue serge suits it has been our pleasure and privilege to offer
in many seasons. PLEASE COME EARLY.
